Adventures in Faith Opera Series with Michael Fuller

**Mondays 19 January—9 February, 2009
7.30-9.30pm
2 Cobden Road, Edinburgh EH9 2BJ
Cost £15 (£10 concession)**

It has a power to move people like nothing else, representing at its best a fusion of music, poetry, drama and visual spectacle. Go beyond the caricatures of large ladies in winged helmets (though there may be some of them, too) with this four-session course exploring OPERA, that most remarkable of art forms.

A large proportion of each session will be spent watching extracts of operas, enabling us to see and hear not only a variety of different music, but a variety of different performers and production styles, too. There will be some exploration of theological themes in opera (of which there are surprisingly many), but the main focus of these sessions will be to offer as broad an introduction as possible to the remarkable, joyous, profound, moving, and occasionally just downright silly, world of opera.
